DESCRIPTION

The Catto shower timer is a practical accessory to control your shower length. Made from ABS plastic and glass, it attaches easily to smooth surfaces with a suction cup. Its hourglass runs for roughly 3.5 to 4 minutes, helping to cut water and energy use by signalling when to finish the shower. Simple to maintain with a damp cloth, it is suitable for everyday bathroom use and offers dependable, visible timing for brief showers.

Offer a custom / personalised shower timer with logo using pad printing (tampography), doming or digital printing. Ideal for businesses, sports clubs, associations, events and private customers seeking a useful promotional item that supports sustainable habits.
