DESCRIPTION

The Guitty digital shower timer lets you easily monitor shower duration with a 5-minute timer and a clear digital display. Powered by a single LR1130 battery (included), it is simple to fit and operate via an intuitive start/stop button. The compact ABS plastic housing is discreet and suited to humid bathroom environments. For upkeep, a quick wipe keeps its sleek appearance.

This custom / personalised digital shower timer with logo can be decorated using tampography to apply a logo or message. Suitable for companies, sports clubs, associations, events and individuals who want to encourage eco-friendly shower habits or provide a practical branded item.
