Vanilla-scented lip balm formulated to keep lips moisturised while providing sun protection with SPF 15. The tube is made from ABS plastic, compact enough for a pocket or bag and comfortable for everyday use. The balm has a smooth texture that applies easily; store away from direct heat and strong sunlight to preserve quality.

Offer a custom / personalised lip balm with logo using tampography for company giveaways, sports clubs, associations, events or private customers. The printing is applied directly to the ABS plastic tube, making it an effective promotional item or retail product.
