DESCRIPTION

The Estelle lip balm comes in an aluminium tube, scented with vanilla and formulated to keep lips hydrated while providing SPF 15 sun protection. Its compact, portable design makes it ideal for everyday use and for topping up protection on the go. To maintain quality, keep the cap and applicator clean and store the tube away from heat and direct sunlight.

Offer a custom / personalised lip balm with logo using the aluminium tube as a branding surface: doming, digital printing and laser engraving are available to apply your mark. Suitable for businesses, sports clubs, associations, events and private individuals seeking a practical, attractive promotional item.
