DESCRIPTION

The Originalhome large tree-shaped candle is a handmade, unscented and 100% natural candle made from certified kernel palm wax. It burns for approximately 29 to 32 hours, making it a comforting decorative piece for home use or a thoughtful Christmas gift. To maintain its shape and quality, keep the candle away from heat and humidity. Its vertical tree form brings a warm, stylish accent to a living room, dining table or shelf and is easy to integrate into seasonal displays.

This custom / personalised large candle with logo can be marked using object-printing techniques available at YourVisualHere: pad printing (tampography) and digital printing on objects, with screen printing used where suitable for rigid surfaces. Ideal for businesses, sports clubs, associations, events and private customers looking for a branded gift, and supported by a free weekday quote and an in-house graphic studio to retouch or vectorise your logo.
