DESCRIPTION

The Puky keyring is a compact, stylish accessory made from durable recycled plastic combined with metal, giving it a premium look and everyday durability. Lightweight and discreet, it attaches easily to keys or a bag without adding bulk. Its polypropylene and metal composition makes care simple: a quick wipe keeps it looking good.

This custom / personalised keyring with logo can be marked using object screen printing or pad printing to apply a logo or message. Suitable for businesses, sports clubs, associations, events and individuals looking for a practical, eco-conscious promotional item.
