DESCRIPTION

This compact, refillable 5 ml perfume atomiser pairs a lightweight aluminium body with PP plastic components (40% PP plastic, 60% aluminium) for easy travel and everyday use. Designed to be simple to fill and leak-free, it lets you carry your favourite fragrance securely. Maintenance is straightforward — rinse and refill as needed. Choose a custom / personalised perfume atomiser with logo for a practical and elegant addition to your toiletry kit.

The atomiser is suitable for customisation by digital printing or pad printing (tampography), techniques that work well on aluminium and plastic surfaces. Perfect for businesses, events, associations, clubs or private individuals looking to create useful branded gifts or merchandise by adding a logo or design.
