DESCRIPTION

The Bellix bicycle bell combines durability and practicality for everyday riding. Made from 60% aluminium and 40% ABS plastic, it produces a loud, clear sound and is built for regular use. Easy to fit to most handlebars, its sturdy construction requires minimal upkeep and offers reliable performance while remaining unobtrusive. It’s a practical accessory to enhance safety and make your presence known on the road.

Order a custom / personalised bicycle bell with logo using tampography, digital printing or doming. Suitable for businesses, sports clubs, associations, events and private customers, it allows you to display a logo or message to promote a brand, team or service.
