DESCRIPTION

A sturdy phone holder designed to keep your device accessible during outdoor activities or home workouts. Made of 50% ABS plastic, 45% PVC and 5% metal, it offers robustness and durability for repeated use. Suitable for mounting on a bike or using with a stepper, it keeps the phone securely while remaining compact and easy to clean with soapy water. Its stable grip and practical design make it a useful everyday accessory.

To create a custom / personalised phone holder with logo we offer pad printing, digital printing and doming. YourVisualHere SRL handles graphic studio work to retouch or vectorise logos and accepts orders from 1 piece.
