DESCRIPTION

Beamix bike light kit designed to improve everyday visibility and safety for cyclists. The compact, reliable red and white lights offer three modes (steady, flashing and slow flash) to suit changing conditions. Supplied in a clear plastic case, they are easy to carry and store. Made from 50% recycled ABS and 50% PP, the lights combine practicality with a responsible material choice. Care is simple: wipe with a damp cloth and check mounts before use.

Order a custom / personalised Beamix bike light kit with logo using digital printing or doming, both suitable for a durable, eye-catching logo. Ideal for companies, clubs, associations, events and private customers. YourVisualHere provides a graphic studio to retouch or vectorise your logo, no minimum order (from 1 piece), free quote within 24 hours on weekdays, collection at the Evere workshop or delivery in Belgium, France and Luxembourg.
