## DESCRIPTION

The Prestige acacia chopping board with bread knife combines natural beauty with everyday practicality. The acacia surface provides a sturdy board for slicing and serving bread, while the stainless steel knife delivers clean, precise cuts. The warm wood grain and timeless design make it an elegant addition to any kitchen or dining table. For care, wipe the board by hand and dry thoroughly to preserve the wood and the blade.

This custom / personalised chopping board with logo can be marked by laser engraving to add a logo, name or design. Suitable for businesses, clubs, associations, events and individuals, it works well as a gift, promotional item or retail product. YourVisualHere offers a graphic studio to retouch or vectorise your logo and provides a free weekday quote.
