## DESCRIPTION

The Edge acacia serving tray enhances the presentation of drinks, snacks and canapés with its rich natural grain and sturdy construction. Lightweight yet durable, it suits everyday use as well as special occasions. The acacia surface provides a warm, elegant finish; clean with a damp cloth and avoid prolonged soaking. This custom personalised serving tray with logo adds a tasteful, long-lasting touch to your table service.

We offer laser engraving to apply your logo or a message onto the tray, suitable for companies, sports clubs, associations, events and private individuals. Our graphic studio can retouch or vectorise your artwork if required. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg is available; request a free quote on weekdays.
