DESCRIPTION

These Originalhome chalk-effect candles are handmade from palm kernel wax and create a warm atmosphere for candlelit dinners. They are paraffin-free and unscented, with a 100% cotton wick for a clean burn; each candle lasts about 18 to 20 hours. Available in a range of layered, vibrant colours, they add a natural, decorative touch to any interior. Every purchase supports tree-planting for farmers and a fair-trade project in Java.

We can produce a custom / personalised candle with logo for companies, sports clubs, associations, events and private clients using digital printing on objects, tampography or screen printing. Free quote within 24 h on weekdays, no minimum order and collection from our Evere workshop or delivery in Belgium, France and Luxembourg. Our studio can retouch or vectorise your logo.
