DESCRIPTION

The Wellmark Tender Affection scented candle fills a space with warm notes of black amber, lemon and lily-of-the-valley. Housed in a glass container holding 210 g of vegan wax, it burns evenly and emits a soft glow, perfect for relaxing evenings or as an elegant addition to any interior. Handmade in the Netherlands and presented in a refined gift box, the candle should be used on a stable surface and treated like any glass vessel, following normal safety precautions while burning.

We offer custom / personalised candle with logo options using laser engraving, suitable for businesses, sports clubs, associations, events and private customers who want a thoughtful gift or branded item. Laser engraving works well on the glass or gift box and provides a discreet, long-lasting personalisation for corporate gifts or special occasions.
