Composition	Recycled PP plastic
Material	Recycled PP plastic
Average weight	74
Dimensions	2 x Ø 23 cm
Country of origin	Angleterre
Carton	100 pieces

DESCRIPTION

Flying disc made from recycled PP plastic, 23 cm in diameter, perfect for outdoor play and recreational activities. Manufactured in the United Kingdom and compliant with EN72, it offers a playful option with sustainable credentials. The recycled material may produce a speckled finish; not suitable for children under three years. Lightweight and robust, it cleans easily with soapy water and is well-suited to sports sessions, family events or promotional gatherings.

This custom / personalised flying disc with logo can be printed using screen printing for objects or pad printing to apply your logo, message or artwork. Ideal for companies, sports clubs, associations, schools, events and private customers seeking a fun, eco-conscious promotional item.
