DESCRIPTION

The Carmen fan is a practical outdoor accessory, perfect for sunny days and open-air events. Constructed from bamboo and paper, it combines a natural frame with a range of colour options. Its classic shape provides a comfortable grip, while the materials require careful handling: avoid excessive moisture and gently wipe bamboo parts with a dry cloth to maintain the fan's natural finish.

For customisation, we offer tampography and laser engraving to achieve the desired look. This custom personalised fan with logo is suitable for businesses, sports clubs, associations, schools, youth movements, events and private customers seeking a tasteful, useful promotional item with precise, long-lasting marking.
