DESCRIPTION

Éventail Manuela: a hand fan made of wood and polyester, offered in a wide range of colours. Designed to provide a cooling breeze and serve as an accessory for outdoor activities or beach days, this fan blends the natural look of wood with the durability of polyester. It folds for easy transport and can be cleaned on the surface when necessary. A tasteful, practical item to give away or sell at summer events and gatherings.

Create a custom / personalised fan with logo using tampography or laser engraving, suitable for marking on wood and polyester. Ideal for businesses, sports clubs, associations, schools, youth movements, events and private individuals seeking a personalised promotional item or keepsake.
