DESCRIPTION

These retro sunglasses are ideal for summer festivals, outdoor events or everyday sunny use. The frame combines PP plastic with coffee fibre, reducing virgin plastic use, while the lightweight, comfortable temples ensure good wearability. Certified to EN ISO 12312-1, they feature UV400 category 3 lenses for effective sun protection. The sturdy construction allows straightforward care to maintain the appearance and protective properties of the lenses.

As custom / personalised sunglasses with logo, they are well suited to laser engraving to add a logo or message. Perfect for companies, sports clubs, associations, events and private customers seeking a sustainable, attractive promotional or gift option.
