DESCRIPTION

The Aqua 35 L backpack is water-resistant and made from GRS-certified recycled 600D polyester, including zips and straps. It features a large U-opening main compartment for easy packing and access, two zipped side pockets (one with a shoe compartment), a zipped front pocket, a rear mesh pocket for a hydration pack and reflective piping for enhanced visibility. Carry it three ways — by hand, over the shoulder or as a backpack using the padded, adjustable straps. PVC-free and designed for straightforward care.

Order a custom / personalised backpack with logo using multicolour transfer, embroidery or DTF printing. Ideal for companies, sports clubs, associations, events and private customers who want a durable, branded backpack. Our design studio can prepare or vectorise your logo to ensure a clean, professional finish.
