DESCRIPTION

The custom Ross technical pouch with logo is a compact, practical companion for people on the move. With a 1-litre capacity, multiple pockets, elastic loops and a patch with a through-cord it keeps power banks, charging cables and small electronic accessories neatly organised. Made from 300D recycled polyester with GRS certification, it combines durability with an eco-aware choice. The plastic carabiner clip lets you attach it to another bag easily, and the synthetic fabric ensures straightforward care.

This custom / personalised Ross technical pouch with logo can be decorated using object screen printing, multicolour transfer, embroidery or DTF printing. Suitable for companies, sports clubs, associations, events and private customers, it works well as corporate gifts, kit organisers or promotional giveaways. Our graphic studio can retouch or vectorise your logo; free quotes and production with no minimum order are available.
