DESCRIPTION

The Rover 20" cabin suitcase (40 L) recycled GRS offers durability with responsible materials: GRS-certified recycled ABS shell and RPET lining, double-tube aluminium frame, 4 x 360° spinner wheels, integrated TSA combination lock and an ergonomic handle. Internal organiser compartments make packing simple and it fits as carry-on with most airlines. Easy to maintain, it suits both business travel and personal trips.

This custom / personalised cabin suitcase with logo is well suited to laser engraving for a discreet, long-lasting mark. Perfect for companies, sports clubs, associations, schools, events and individuals; our studio can retouch or vectorise your logo. No minimum order, free weekday quote and marking costs shown in the quote.
