DESCRIPTION

The Rover Pro 20" carry-on suitcase, 40L and recycled GRS, is a compact trolley ideal for business and leisure travel. Constructed from GRS-certified recycled ABS with an RPET lining, it features a front-opening 20" laptop compartment, a USB charging port, a TSA combination lock and double 360° spinner wheels for easy handling. It can be taken as hand luggage with most airlines.

Order a custom / personalised carry-on suitcase with logo using laser engraving — suitable for companies, sports clubs, associations, events and private customers. We can apply your logo or initials for a subtle, long-lasting finish.
