DESCRIPTION

The Varyon hydration sling is a compact 6-litre shoulder pack designed for sport hikes, fast hiking, trail runs and major races where you need to carry water and essentials without bulk. Constructed from GRS-certified recycled ripstop polyester with a GRS-certified RPET lining and a water-repellent finish, it features a zipped main compartment with an inner pocket, a front mesh pocket with an elastic cord for a bottle, and a large quick-access rear pocket for your phone or small items. The adjustable strap and breathable mesh back ensure comfort, while reflective elements improve visibility.

Order a custom / personalised hydration sling with logo using multicolour transfer or DTF printing, both suited to detailed, colourful designs. Ideal for companies, sports clubs, associations, events and private customers seeking a practical, eco-conscious accessory. Free quotes and a graphic studio are available to refine or vectorise your logo.
