DESCRIPTION

This Resi Plus technical pouch (1 L) is made from GRS-certified recycled PU with a matching RPET lining, designed for travellers, remote workers and tech enthusiasts. Compact and water-resistant, it fits easily into a backpack or cabin bag. The zipped main compartment includes elastic loops for pens and cables, two mesh pockets for earphones and small accessories, a reinforced divider and several elastic loops to secure chargers and USB sticks. A front pocket with hook-and-loop closure and a carry strap add convenience, while the recyclable materials make upkeep straightforward.

Personalise this pouch as a custom/ personalised product with logo using multicolour transfer. Suitable for businesses, sports clubs, associations, events and private customers looking for a practical, eco-conscious accessory — ideal for corporate gifts, event kits or promotional merchandise.
