DESCRIPTION

Slim magnetic torch made from ABS plastic with an exclusive design, perfect for lighting tight spaces. It features three modes: a 4-LED torch mode, a 24-LED work light mode and a combined mode that uses both for maximum output. The magnetic back allows easy attachment to metal surfaces and a push-button ensures simple operation. Supplied with a wrist strap, batteries inserted and included, and presented in a STAC gift box. Easy to care for, compact and practical for home, the toolbox or on the move.

Order a custom / personalised magnetic torch with logo using laser engraving for a precise, long-lasting mark on the ABS body. Laser engraving provides a clean, professional finish. Ideal for businesses, sports clubs, associations, schools, events and private individuals looking for a useful branded gift.
