DESCRIPTION

Unisex neck gaiter made from merino wool, designed to provide a lightweight layer of protection against the cold for outdoor activities. Its tubular, seam-free cut follows the neck's shape and can be worn as a neck warmer, headband or thin hood. The 100% merino composition gives a soft, comfortable feel suitable for low to moderate intensity activities such as hiking and trekking.

The piece features a clean finish with a finely ribbed texture that enhances stretch and fit without adding bulk. Available in 1 colour (for example Solid Cedar) in adult sizing, it packs down easily and fits under a jacket or beanie. The fabric looks dense yet flexible, making it practical for layering on colder days.

This neck gaiter can be personalised from a single item by embroidery. We provide embroidery work for companies, sports clubs, associations, schools, youth movements and private customers, with in-house studio support to vectorise and prepare your logo. personalised neck gaiter available per piece.
