DESCRIPTION

Car phone holder designed to slot into a dashboard vent and keep your mobile in a practical, secure position. Compatible with all phones, it features 360-degree rotation and a bilateral opening for easy access. Made from ABS plastic, it is lightweight, durable and easy to care for — simply wipe with a damp cloth. Ideal for keeping your device visible for navigation or hands-free calls while maintaining a stable mount.

This custom / personalised car phone holder with logo can be finished using laser engraving, digital printing, pad printing (tampography) or doming depending on the desired look. Suited for companies, sports clubs, associations, events and private customers to showcase a logo or message on a useful everyday item.
