DESCRIPTION

Unisex Buffalo cap in heavy brushed cotton twill, built with six panels for a structured fit and reliable shape. It features a pre-shaped peak and six embroidered eyelets for ventilation, with an adjustable metal buckle at the back for a secure, custom fit. Approximate dimensions: 20.5 x 17 x 12 cm.

The visible construction shows reinforced stitching along the panels and a neat finish on the peak with a decorative piping. The cotton fabric gives a firm hand and retains its shape, making the cap suitable for regular outdoor use and promotional wear.

This Buffalo cap can be personalised by embroidery, screen printing on object, multicolour transfer, DTF printing and flex, depending on your branding needs. Recommended for companies, sports clubs, associations, events and private customers. Minimum order: 50 pieces (colours and sizes combined).
