DESCRIPTION

Unisex beanie knitted from 100% acrylic, designed to provide warmth with a clean, versatile look. The classic cut with a folded cuff offers comfortable fit in one size and a soft, durable handfeel suitable for everyday use. The fabric is elastic and easy to care for following standard acrylic garment instructions.

The photo shows a defined cuff and an even knit structure that deliver a neat finish and reliable wear. Its straightforward construction, without complex seams, makes it ideal for placing branding on the cuff or the crown while keeping a discreet profile that suits many styles.

This personalised beanie can be ordered from one piece and is well suited to companies, sports clubs, associations, schools, events and private customers. Customisation options include embroidery, DTF printing, flex and screen printing, and our design studio can vectorise or retouch your logo before production.
