DESCRIPTION

Unisex long beanie in a dense knit designed to retain heat while remaining comfortable to wear. With a length of 30.48 cm the cuff can be adjusted for different styles. Made from hypoallergenic acrylic, it is easy to care for and quick-drying, suitable for everyday outdoor use.

The tight knit and folded cuff give a secure fit without distortion. The one-size design accommodates most head shapes and the simple construction avoids bulky layers under helmets or hoods.

This personalised beanie is suitable for embroidery (embroidery) — embroidery provides a durable, neat finish. Ideal for companies, sports clubs, associations, events and individuals; customisation is available from one piece. Our graphic studio can vectorise your logo and include the marking in the quote.
