DESCRIPTION

Unisex 6-panel cap made from stretch polyester (92% polyester, 8% elastane) offering a close, comfortable fit thanks to Flexfit technology. It features a classic curved peak and an adjustable Velcro® fastener at the back for easy sizing. The fabric has a stain-resistant treatment for practical everyday wear and simple care suitable for polyester.

The 6-panel construction provides a structured yet supple profile; visible details on the photo include neat stitching and a medium-profile peak, making it suitable for professional use and association events. Available in several colours, for example BLACK and NAVY, in one size (One Size).

This personalised 6-panel cap can be customised from one piece and is ideal for companies, sports clubs, associations, schools and private customers. Customisation techniques available: screen printing (screen printing), DTF printing, flex, MSO transfer and embroidery (embroidery).
