DESCRIPTION

The Delta Snapback is a unisex, structured 6-panel cap made from stretch polyester for comfortable wear and reliable shape retention. Side laser perforations provide enhanced breathability and the fabric features an anti-sweat treatment to reduce staining. A curved peak and adjustable snapback fastening give a one-size fit.

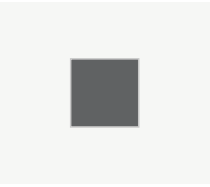

Practical details include clean seam finishes and a firm front panel that keeps the cap upright. Care is straightforward — turn inside out before washing to protect the technical fabric and perforations. Available in several colourways, for example BLACK, NAVY and WHITE.

Customise this cap from one piece with embroidery, DTF printing, flex, screen printing or transfer.
