## DESCRIPTION

Men's waistcoat in a tailored fit, designed for a smart, structured look. The front fastens with five buttons and features two narrow piped pockets; the back is fully lined with an adjuster for fine tuning the fit. The blend of recycled polyester, viscose and lycra gives the garment stretch and a clean drape, making it suitable for professional wear and events. Available in five sizes (XS to XL) and multiple colour options.

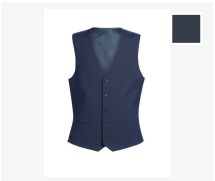

The tailored cut and clean finishes deliver a precise silhouette while the elastic fabric preserves ease of movement. Details such as piped pockets and a lined back improve durability and maintain a polished appearance throughout repeated use. The material resists creasing for a consistently smart presentation.

This personalised waistcoat can be ordered from one piece and is available for embroidery, flex, DTF printing, screen printing or transfer, depending on the desired finish. Recommended for companies, sports clubs, associations, events and individuals seeking coordinated, professional attire.
