DESCRIPTION

Low-top PU shoes, model Blancos in size 37, designed for light everyday wear. The PU upper combined with a rubber outsole provides straightforward support and easy maintenance; polyester laces offer reliable fastening. Supplied in a shoebox, the trainers feature a clean, minimal construction with a lightly padded collar and a textured sole for traction.

The simple low-cut design makes care easy: wiping and air-drying is usually sufficient to maintain appearance. Neat stitching and subtle paneling give structure without adding bulk.

These personalised shoes can be marked using multicolour transfer, DTF printing, digital printing and screen printing on objects. They suit corporate gifts, promotional items, clubs, associations and events. Minimum order: 5 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo prior to production.
