DESCRIPTION

These size 39 shoes are low-top PU sneakers with a clean, understated design suitable for everyday wear. The smooth PU upper is easy to care for and the rubber outsole provides reliable traction. A polyester lace fastening and lightly padded collar give straightforward, comfortable support. They are supplied in a white shoe box, convenient for storage and distribution.

The build features a regular-profile sole and a discreet toe cap; visible stitching offers a neat finish without over-detailing. The box dimensions (27.1 x 9.3 x 8.5 cm) simplify logistics for shipping and stock management. Note: this model is sold with a minimum order of 5 pieces (sizes and colours combined).

These personalised shoes can be branded using multicolour transfer, DTF printing, digital printing and screen printing on objects.
