DESCRIPTION

Backpack for a 15" laptop in RPET, built for daily professional use. The streamlined, structured cut (45 x 31 x 18.5 cm) includes three large padded, zippered compartments to protect a 15" laptop and work essentials. RPET material with adjustable shoulder straps and a padded, ventilated back panel provides comfortable carrying. Available in 1 colour (black).

The bag features two mesh side pockets for a bottle or umbrella, a front zip pocket for small items and a trolley sleeve at the rear for travel convenience. Zippers extend around the openings for easy access and the ventilated back improves airflow during wear. The dimensions and compartment layout help keep work items organised on commutes and business trips.

Customisation options include DTF printing, flex, screen printing on object and multicolour transfer. Suitable for companies, sports clubs, associations, events and individuals seeking personalised backpacks; not available to order per piece: minimum 8 pieces (colours and sizes combined).
