DESCRIPTION

The Valley Wallet smartphone pouch is a compact vertical carry solution in RPET (recycled polyester), designed for light transport of a phone and a few essentials. Its narrow cut and 10 x 2.5 x 20 cm dimensions make it discreet and comfortable to wear with an adjustable shoulder strap. The RPET fabric provides a durable feel and is easy to maintain.

The pouch features a main compartment with several internal pockets for cards or cables, a zipped front pocket and a side zipped pocket, plus a double zip closure for secure access. The pictured shape shows neat finishing and a streamlined profile that sits close to the body while on the move.

Customisable for companies, clubs, associations and events, this pouch accepts screen printing, multicolour transfer, DTF printing and flex. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to refine or vectorise your logo.
