DESCRIPTION

Jacquard beach towel 70 x 140 cm in recycled cotton, designed for regular use at the beach or pool. The Sand model combines a soft, absorbent fabric from the SEAQUAL® initiative — recycled cotton and recycled polyester — with EU manufacturing. Its generous size makes it suitable for beach days, poolside use and water-based outings; care is in line with recycled cotton towels.

The towel features neat hems and a terry texture that delivers good absorbency and durable performance through repeated washes. It is offered in several colourways, for example blue, grey and turquoise, and measures 70x140 cm. Minimum order: 25 pieces (colours and sizes combined).

Personalise this towel using embroidery, multicolour transfer, DTF printing or flex for companies, sports clubs, associations, events and private customers. Our graphics studio can retouch or vectorise your logo; free quote within 24 hours on weekdays. Personalised beach towel.
