Reference	2060
Composition	Recycled Cotton
Material	Recycled Cotton
Average weight	0.79
Dimensions	100 x 170 CM
Country of origin	Spain
Carton	20 pieces

DESCRIPTION

Water jacquard beach towel, designed for beach and poolside use. With generous dimensions of 100 x 170 cm it provides ample drying area; the terry-loop texture visible in the photo indicates strong absorbency. Made from 70% recycled cotton and 30% recycled polyester Seaqual® yarn, manufactured in the EU, with a weight of 500 g/m² and finished hems. Available in several colours such as Blue, Grey and Turquoise.

The towel rolls up neatly for transport and the flat hem improves durability through repeated washes. The jacquard weave gives a textured appearance while preserving comfort, making it suitable for frequent outdoor use and normal machine washing according to care instructions for cotton blends.

Order this personalised beach towel with customisation by multicolour transfer, DTF printing, flex or embroidery. Well suited to companies, sports clubs, associations, events or hospitality gifts. Minimum order quantity: 10 pieces (colours and sizes combined). Free quote and graphic studio available to vectorise or retouch your logo.
