DESCRIPTION

The Menkaure candle comes in a stoneware pot with a cork base and a bamboo lid. This 80 g plant-based wax candle offers around 7.5 hours of burn time and releases a fresh linen scent. Its compact cylindrical shape (Ø7 x 6.6 cm) makes it suitable for indoor use on shelves, side tables or reception counters. The bamboo lid is a natural material and may show slight variations, giving each piece a unique touch.

The finish pairs durable stoneware with the warm texture of cork; the bamboo lid helps preserve the fragrance between uses. The small format is convenient for welcome gifts, hospitality packs or retail gift sets. Care is minimal: avoid prolonged moisture exposure to the cork and wipe the pot clean when needed.
