Country of origin	China
Carton	40 pieces

DESCRIPTION

Compact ABS office accessory (15 x 15 x 3 cm) designed to keep drinks warm up to 45 °C. Its low-profile, flat design accommodates most cups and mugs and connects by USB for easy use at a desk or on the move. The ABS construction is durable against everyday wear and simple to wipe clean.

The unit includes an integrated power touch and a visible safety symbol on the surface — useful practical details for daily office use. Its slim height makes it compatible with a wide range of vessels while the smooth top provides a stable resting area. Maintenance is straightforward: wipe with a damp cloth and avoid immersion.

This personalised office accessory is decorated by pad printing and is suitable for companies, sports clubs, associations, events and corporate gifts. It cannot be ordered per piece: minimum order 20 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
