DESCRIPTION

Compact multifunction aluminium pen (1.6 x 16 cm) combining several practical tools: an integrated bubble level, ruler graduations along the body, a stylus tip, interchangeable screwdriver bits and a built-in LED torch. Blue ink is supplied and three AG batteries are included. The metal barrel and clip provide a solid, portable grip suitable for pockets or notebooks.

Visible details include a removable cap protecting the stylus, a small compartment for the double-ended screwdriver bits and clear ruler markings along the shaft for quick measurements. The LED is operated from the top end and the unit disassembles easily to access the batteries and tool bits. Its compact format is adapted to trade shows, maintenance teams and promotional kits.

Customisable by laser engraving or pad printing, this item fits companies, clubs, associations, events and promotional gifts for individuals. Minimum order: 100 pieces (colours and sizes combined) — not available per single piece. Free quote within 24 h on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
