Ref. 2080

Reference	2080
Average weight	0.014
Dimensions	5,5 x 1,9 x 1 CM
Country of origin	China
Carton	500 pieces

DESCRIPTION

16 GB USB flash drive in recycled ABS, Techmate Rabs model, compact size (5.5 x 1.9 x 1 cm) designed for everyday use. The recycled ABS body with a metal swivel cap protects the USB 2.0 connector and provides a secure grip; a built-in attachment loop makes it easy to add to a keyring. Smooth finish for easy cleaning. Available in 1 colour: white.

Small and sturdy, this drive is simple to carry on keychains or in laptop bags. The rotating metal cover reduces the risk of losing a cap and gives a neat, professional look suitable for events and corporate giveaways.

Customisation available by digital printing, doming, laser engraving and pad printing. This promotional item has a minimum order quantity of 250 pieces (colours and sizes combined); a lower quantity can be arranged with additional fees. Free quote within 24 hours on weekdays, standard production, and collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Our studio can retouch or vectorise your logo.
