Ref. 2081

Reference	2081
Composition	Aluminium
Material	Aluminium
Average weight	0.036
Dimensions	120 x 1,7 x 0,8 CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

The Cablong is a 120 cm aluminium phone accessory that enables charging from a single USB-A plug to two outputs (Type-C and micro-B) via its 2-in-1 connector. The braided cable visible on the photo improves durability against twisting, while the aluminium end pieces and central slider provide a solid feel. Practical and portable, it suits businesses looking for a useful promotional item for clients, staff or events.

The cable's straightforward layout splits from the USB-A into two leads ending in the respective connectors; the 120 cm length makes it convenient for desk and on-the-go use. Care is minimal — wipe with a dry cloth and avoid immersion. The model Cablong is offered in several colours (see product sheet) and measures 120 x 1.7 x 0.8 cm.

Personalisation possible from 25 pieces as stated on the product sheet. Customisation techniques: digital printing, doming, laser engraving and pad printing. Suitable for companies, events, associations, clubs and corporate gifts — free quote and in-house artwork studio available.
