DESCRIPTION

The Seed Book is an A5 notebook (21 x 14.8 x 1.2 cm) designed for everyday note-taking. Its cover is made from seed paper with a subtly speckled, natural texture that contains embedded seeds. Inside are 200 ruled pages made from recycled paper (100 sheets), offering a reliable surface for notes, lists and sketches. Treat the notebook like any paper product and avoid prolonged exposure to moisture to preserve the seed cover.

The flat binding allows the notebook to lie reasonably flat for writing, and the compact A5 size makes it easy to carry. The product is available in 1 colour (white) and is well suited to meetings, events and promotional handouts.

Customise this personalised notebook with screen printing to add your logo or artwork. Suitable for companies, clubs, associations, events and private customers. Minimum order: 16 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our design studio can retouch or vectorise your logo for printing.
