DESCRIPTION

Acacia wood chopping board, model Acalim, designed for everyday kitchen use. The smooth surface and rounded edges give a secure grip and comfortable handling; as a natural material the wood shows slight variations in colour and grain. Dimensions: 24.5 x 17.5 x 1.5 cm — a compact size suitable for preparing vegetables, fish and small cuts of meat. Care is straightforward: wash by hand and allow to dry thoroughly to preserve the wood.

The board features a knife sharpener attached at one corner for quick honing without leaving the workspace. The visible laminated strips of wood provide stability and a robust feel in regular use.

Customisation is available by laser engraving. This personalised chopping board is ideal for companies, clubs, associations, events and corporate gifts. Minimum order: 10 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo, and we provide a free quote within 24 hours on weekdays.
