PP lunch box

Ref. 2088

Reference	2088
Composition	PP
Material	PP
Average weight	0.467
Dimensions	18 x 10 x 9,5CM
Country of origin	China
Carton	30 pieces

DESCRIPTION

Wint two-tier lunchbox in PP designed for everyday lunches. Each tier has a 400 ml capacity, with a removable divider and a bamboo lid featuring a slot to hold a phone. The set includes three cutlery pieces and is secured with a polyester elastic band. Note that bamboo is a natural material and may show slight colour and grain variations.

Compact dimensions (18 x 10 x 9.5 cm) make this lunchbox practical for office breaks, school or outdoor use. The stackable tiers simplify storage and cleaning, while the removable divider keeps foods separate. The elastic band ensures the box stays closed when carried in a bag.

This personalised lunchbox can be marked by laser engraving, pad printing, digital printing or doming, depending on the preferred branding area. Suitable for companies, clubs, associations, events and private customers seeking a useful branded item. This product is not available per single piece — minimum order: 15 pieces (colours and sizes combined). Available in several colour options, such as Black, White or Navy.
