DESCRIPTION

The Ebor 500 ml recycled glass bottle offers a simple, practical solution for everyday drinks. With a slim silhouette (Ø6 x 22.5 cm), a PP screw cap and silicone carry loop, it ensures easy handling and leak protection while the glass body preserves beverage flavour. The removable neoprene sleeve adds protection and grip and can be taken off for cleaning. Suitable for office use, commuting or event giveaways.

The bottle's cap is designed to be leak-proof and the neoprene sleeve helps absorb light shocks and improves handling. Available in several colours including Black, Beige and Royal Blue, it features clean finishes around the neck and lid. Its dimensions and 500 ml capacity make it convenient to store in most cup holders and bags.

Personalise this personalised bottle using digital printing, screen printing on object, multicolour transfer, flex, DTF printing, laser engraving or pad printing. Ideal for companies, sports clubs, associations, events and private orders. Minimum order 25 pieces (colours and sizes combined).
