Ref. 2091

Reference	2091
Composition	Glass
Material	Glass
Average weight	0.4
Dimensions	11 x 10CM
Country of origin	China
Carton	30 pieces

DESCRIPTION

This 300 ml recycled glass mug is designed for tea and coffee, suitable for daily use in the office, at events or in retail. The straight-sided profile with a rounded handle provides comfortable grip; the glass preserves flavour and is easy to clean. The natural bamboo lid helps reduce debris and keeps your drink warmer for a short time while adding an eco-friendly touch.

The Celestial model has a cylindrical shape with straight walls and a slightly thickened base for stable placement. The bamboo lid sits on a soft seal for better fit and is easily removed for washing. Dimensions approximately 11 x 10 cm, capacity 300 ml.

This personalised mug can be finished by screen printing, pad printing (tampography) or laser engraving for crisp, long-lasting marks. Minimum order: 15 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Suitable for businesses, clubs, associations, events and retail; our design studio can retouch or vectorise your logo.

COLOURS (1)

Transparent
