DESCRIPTION

The Osole ++ fair-trade cotton shopping bag is made from 180 g/m² cotton and features a rectangular cut with a gusset to increase capacity. Long handles allow comfortable shoulder carry and the plain woven surface gives a natural, sturdy look for everyday use. Measurements: 38 x 12 x 42 cm — practical for shopping, trade shows or handing out materials at events.

Details focus on durability: reinforced stitching on the handles and a side tag indicating fair-trade origin. Care is straightforward — gentle wash recommended to preserve the fabric and shape. The flat design also makes the bag easy to fold and store.

This personalised shopping bag can be customised with screen printing, multicolour transfer, flex or DTF printing. Ideal for companies, shops, associations, clubs and private customers looking for a reusable promotional item. Minimum order: 50 pieces (colours and sizes combined).
